EDUCATION

2022 - 2024

KABETE NATIONAL POLYTECHNIC

- Diploma in Automotive Engineering

2016 - 2019

LALA SECONDARY SCHOOL

- Kenya Certificate of Secondary Education (KCSE)

SKILLS

- Engine Overhaul & Repair
- Vehicle Diagnostics & Troubleshooting
- Auto Electrical Systems
- Brake & Suspension Systems
- Technical Problem-Solving
- Preventative Maintenance

LANGUAGES

- English (Fluent)
- Kiswahili (Intermediary)

PROFILE

A detail-oriented and passionate Automotive Engineer with hands-on experience in vehicle diagnostics, repair, and maintenance. Skilled in engine overhaul, automotive electrical systems, and hydraulic and pneumatic systems. Dedicated to ensuring vehicle safety, performance, and efficiency through modern diagnostic techniques and preventative maintenance strategies. Seeking to apply my technical expertise in a dynamic automotive engineering role.

WORK EXPERIENCE

CHAMBUNDO AUTO GARAGE

JAN 2024 - MAY 2024

Industrial Attachment

- Conducted vehicle diagnostics and fault detection using OBD-II scanners.
- Assisted in engine repairs, brake system maintenance, and suspension tuning.
- Performed routine servicing, including oil changes, filter replacements, and tire rotations.
- Worked under experienced mechanics to enhance my practical skills in automotive engineering.

RONGO PUBLIC WORKS DEPARTMENT

JAN 2023 - MAY 2023

Industrial Attachment

- Performed preventative maintenance on government vehicles and heavy machinery.
- Assisted in fleet management and vehicle service documentation.
- Repaired hydraulic and pneumatic braking systems in trucks and heavy vehicles.
- Diagnosed and fixed automotive electrical faults, including wiring and sensor issues.
